# CABINET LIGHTING

There is nothing quite as stunning as clever lighting. It accentuates good design and gives a beautiful ambiance. Every good interior design must use a clever balance of natural and ancillary lighting. That's exactly what we can help you do.

These lighting kits can be ordered as optional extras on almost any vanity, shaving cabinet or tall boy. They come fully installed with their own transformer. All you need to do is have your electrician provide a connection and your chosen switching.

All lighting kits have a 1 year warranty. If LED is chosen for a shaving cabinet or vanity please note style and size may vary slightly.

**\*Please note:** An electrician will be required to provide in wall wiring and provision for an on/off switch before the bathroom walls are sheeted. **See product drawings for more information. See page 230 for drawings showing mounting positions.**
